# SHIPS AGENCY, PORT SERVICES, CHARTERING AND CUSTOMS BROKERAGE SERVICES

During 2017, in anticipation of Brexit looming ever closer, Quality Freight Ltd announced a Joint Venture with Manifest Ireland - offering Ship's Agency Port Services and Chartering in all Irish Ports and Customs services as an AEO approved Company. Manifest Ireland was one of the first brokerage companies to receive this EU accreditation.

Quality Freight offers a broad range of services to ensure consistency and compliance to customs regulations across our offices in Ireland, UK and the Netherlands. Thanks to our fully bonded network of freight forwarders we can provide a seamless integration of customs support globally offering a one stop solution and helping to avoid those unwanted delays, fines and penalties.

Since 2016, Quality Freight and Manifest Ireland have worked on a consultancy basis with a number of different companies providing complete AEO application management and ongoing support services.

Manifest Ireland are stationed in Quality Freight Ltd Head Quarters at Dublin Port in close proximity to The Irish Customs and Revenue office.

Our experienced inhouse customs brokerage team will:

- advise about import/export formalities
- identify potential risk areas
- optimize duties with classification of HS codes
- maximize compliance of tariffs and trade regulations
